Coursework 1 Teamwork Agreement Form

YOU CAN ONLY WORK WITH STUDENTS IN THE TUTORIAL GROUP YOU HAVE BEEN TIMETABLE FOR

Vital information: Before you complete and sign your team agreement form, read, and discuss the terms written below. If you wish, you can amend the terms of agreement to suit your team. All amendments must be agreed by your tutor before you sign the form.

Remember: For greater success, you are required to form a mixed and diverse team. According to Trello (2020)[1] The recipe for an amazing and unstoppable team is to have a diverse team. A diverse team is composed of people of varied backgrounds, viewpoints, and experiences (in terms of race, ethnicity, gender identity, age, professional experience, skills and so on).

Terms of Agreement: To advance the teamwork and communication of the **<<add team name>>** team, we have signed this teamwork agreement to establish how we will work together.

Each member of the team is responsible and accountable to uphold our teamwork agreement as we work together to improve our teamwork and communication as well as the outcome of the assessment.

Agreement we commit to as a team:

- Be respectful of our team members
- Direct communication, rather than side bar conversations
- A commitment to complete tasks for which we are responsible
- Kindness and compassion towards each other
- Trust in each other
- Not being afraid to say, "I don't know" and ask for help
- Avoid interrupting others when they are speaking
- Holding each other accountable when someone is not acting in accordance with this agreement

Where differences arise, our team is committed to resolving conflict by:

- Addressing differences in a timely, open, and honest manner,
- Speaking to the people directly involved in the conflict first, before approaching a third-party mediator, such as our tutor,
- Avoiding using blaming language. Use "I" language instead of "you" when talking about the issue.

Instructions:

1. Teams MUST be made up of 5 students. In exceptional cases, 6 will be allowed (as a maximum) and this would have to be approved by your tutor.
2. Seek tutor approval before you sign the Team Agreement Form.

Additional comments:

We are submitting our final team agreement for our group of five. We experienced some initial delays while reforming the group after previous members left, but we are now fully organized and committed to the task.
